# Building Services

We are proud to introduce Clean Space Project Services Pty Ltd, a responsive and hassle free fit out and property maintenance business.

Our qualified trades people and trade partners have the necessary qualifications to complete any job big or small and clean up afterwards.

We provide hassle free responsive solutions to ensure our clients can remain focused on their core business. With commercial, offices and retail properties we understand the need to carry out works in a safe and efficient manner, with minimal disruption to nearby tenants, staff and the general public.

From hanging a white board to detailed tenancy fit outs and make goods, Clean Space Project Services will coordinate the right team to get the job done for a reasonable price.

**General handyman works start at \$60 + GST per hour per staff member and minimal call out charges may apply.**

- **Safe** - *Zero harm resulting from our work.*
- **Reliable** - *always finished on time.*
- **Cost Effective** - *You will save money with us.*

# The People We Trust

Geoff is our Director and has 20 years experience in the Property Industry and knows how to ensure your investment returns its maximum potential. He specialises in Commercial Property and Project Management. His passion for Property and Construction is genuine. Geoff will save you money.

Trevor is our Director and has 20 years experience in the Facilities and Property Management Industry. His understanding of the finer points of Commercial and Retail Property ensures your assets value is maximised, with your overall expenditure is low.

Glen is our Project Manager. His 12 years in the industry has netted him a wealth of experience as an Architect turned Construction Manager. Recently having returned from the United Kingdom, Glen combines international construction knowledge with big project experience.

James is our Site Manager. A Carpenter by trade, he has over 10 years of professional practice in the fit out market including time spent learning fit out in the UK. James experience and proven ability to deliver a quality product make him the perfect 'man on the ground' for Project Services, delivering Quality Workmanship.
